Dear Mark,

It was really good to see you last week and I very much enjoyed the food at The Inn at Freshford; makes a change from my usual miserable cooking efforts at Top Lodge.

The Farm Board has asked me to formally thank you for the work you undertook for the company; it was really valuable to have a forensic eye looking over the finance function and the work you carried out was duly "rewarded" with a clean audit.

I would like to add my own thanks; BDFL should now move forward with a much improved finance function built on the foundations you have laid.

Please do keep in touch.

Richard
